We have to rewrite both COs and EPA need to sign again the new COs.

Following the meeting this morning, I can tell you that by knowing where our cases are in the line not necessary will help to deal with the submitter. For example P-18-0049 the submitter send toxicology studies and questions in November 2019 letter. The case passed for all priorities category. The final category was hair on fire. I finally got an email from the health assessor (more than one month ago) saying that the memo and the answers were ready just waiting for QA/QC. I
